Niniejsza instrukcja jest materiałem poglądowym i nie zwalnia wykonawców z obowiązku przestrzegania zasad sztuki dekarskiej oraz stosowania się do norm budowlanych. Sposoby montażu przedstawione w tej instrukcji, mają charakter wskazówek ogólnych. Dlatego różnice w doborze odpowiedniej metody, mogą wynikać z różnego rodzaju dachu i metod krycia w regionie. Montaż blach dachowych wymaga fachowej wiedzy, praktyki i specjalizacji, dlatego doświadczeni wykonawcy posiadają indywidualne rozwiązania, które firma REGAMET aprobuje.
